COMMUNITY ACTION PROGRAMS

WHO WE ARE

Community Action Partnership is a national membership organization that provides technical assistance, training, and other resources to Community Action Agencies, nonprofit and public groups funded by the Community Services Block Grant (CSBG), a federal program that allocates funding to states to connect Americans to greater opportunity.

OUR MISSION

Community Action Partnership with the community facilitates opportunities towards self-sufficiency through education, wealth building, energy assistance and advocacy.

OUR PROMISE

Community Action changes people's lives, embodies the spirit of hope, improves communities, and makes America a better place to live. We care about the entire community, and we are dedicated to helping people help themselves and each other.

UTILITY ASSISTANCE

We offer utility bill assistance and weatherization services to qualified residents, ensuring that you have the resources you need to stay warm, safe, and comfortable in your home.

WEATHERIZATION

Our weatherization program provides free energy efficiency upgrades to low-income households to lower their monthly utility bills while also improving the health and safety of the household's occupants.

COOL/WARM CENTERS

Our Cool and Warm centers offer a welcoming place for individuals, seniors, and the disabled to seek refuge from extreme seasonal temperatures. Our goal is to help you save money on your utility bills by providing a comfortable space where you can relax and escape the heat or cold.

VOLUNTEER INCOME TAX ASSISTANCE (VITA)

At no cost to you, we offer tax preparation services that assist low-to-moderate income individuals in securing tax credits and refunds. We have multiple locations available throughout Riverside County to better serve you.

DISPUTE RESOLUTION

We offer mediation services to Riverside County Superior Court litigants. Our goal is to provide you with a peaceful resolution to your disputes, so you can move forward in a positive direction. We also receive referrals from law enforcement and community, ensuring that we can help a diverse range of individuals and families in need.

TECH FOR SUCCESS

Our Tech for Success program provides laptops or refurbished computers to families who participate in a series of workshops in financial literacy, and help families gain knowledge and access to community resources needed to succeed and secure financial stability.

NONPROFIT SEED FUNDS

The Lingafelter Development Fund offers small grants specifically designed to help grassroots organizations like yours obtain their incorporation and 501(c)(3) status. In addition to funding, there is also training and technical assistance available to support your organization's growth and success.
